Performed live by No Doubt

That's great, it starts with an earthquake.  
Birds and snakes, an aeroplane and Lenny Bruce is not  
afraid.  
Eye of a hurricane, listen to yourself churn.  
World serves it's own needs, don't misserve your own  
needs.  
Feed it up a knock, grunt, no, strength, no,  
Ladder structure to clatter with fear fight down height.  
Fire in a wire, representing seven games.  
A government for hire and a combat site.  
Left of west and coming in a hurry,  
With the furies breathing down your neck.  
Team by team reporters baffled, trumped, tethered  
cropped.  
Look at that low plane! Fine, then.  
Uh oh, overflow, population, common food, but it'll do.  
Save yourself, serve yourself, world serves it's own  
needs.  
Listen to your heart bleed tell me with the rapture.  
And the revered and the right, right.  
You vitriolic, patriotic, slam, fight,  
Bright light, feeling pretty psyched.

It's the end of the world as we know it.  
It's the end of the world as we know it.  
It's the end of the world as we know it  
But I feel fine.

Six o'clock - TV hour, don't get caught in foreign  
towers.  
Slash and burn, return, listen to yourself churn.  
Locking him in uniform and book burning, blood letting.  
Every motive escalate. Automotive incinerate.  
Light a candle, light a votive. Step down, step down.  
Watch your heel crush, crushed, uh oh, this means no  
fear cavalier.  
Renegade steer clear! A tournament, a tournament, a  
tournament of lies.

Offer me solutions, offer me alternatives, I decline.

It's the end of the world as we know it.  
It's the end of the world as we know it.  
It's the end of the world as we know it.  
I feel fine.  
I feel fine.

The other night I tripped a nice continental drift divide.  
Mount St. Edelite, Leonard Bernstein.  
Leonid Brezhnev, Lenny Bruce and Lester Bangs.  
Birthday party, cheesecake, jelly bean, boom!  
You symbiotic, patriotic, slam book neck, right? Right.

It's the end of the world as we know it.  
It's the end of the world as we know it.  
It's the end of the world as we know it.  
I feel fine.

It's time, I spent some time alone.  
It's time, I spent some time alone.  
It's time, I spent some time alone.

It's the end of the world as we know it.  
It's the end of the world as we know it.  
It's the end of the world as we know it  
I feel fine.
