I know your heart is broken all you wanna do is cry
But look at me and see the way I'm looking in your eyes
It wasn't right, he wouldn't fight to keep you till the end
But I won't desert you, never hurt you
So when you call out again
Let me be the one you turn to
Let me be the one
When you need somebody you can run to
Let me be the one
So when your world is crashing down and you're alone
at night
I'm here to tell you everything is gonna be all right
I'll be your strength
I'll be your shoulder, be your everything
And I won't deceive you, never leave you
So when you call out again
Let me be the one you turn to
Let me be the one
When you need somebody you can run to
Let me be the one
Do you know what I'll do for you?
I'll do anything, be anything you need
I'll be waiting when you come running
Straight to my heart and I'll never let you go, no
