Here I go I'm breaking down again  
So what else is new  
If it was good I don't remember when  
What's a loser to do  
I'm gonna turn it all around now  
I won't let nothing keep me down again  
Cause I don't wanna stay a fool  
I'm on my way  
Gonna get it all together  
I'm on my way  
Everything is getting better  
No more wasting all my energy  
On what isn't right  
No I won't  
Wallow in my misery  
Every day and night  
This time I know I'm starting over  
I guess it's time I'm getting older too  
And I don't wanna stay a fool  
I'm on my way  
Gonna get it all together  
I'm on my way  
Everything is getting better  
Here I go again  
Here I go again  
I'm on my way  
Gonna get it all together  
I'm on my way  
Everything is getting better
