I'm closing all the curtains
So don't you even bother
And they're calling out murder
But I'm underneath the cover

And who's fooling who
With this mood like a train?
Watch me roll over
Get out of my way

And there's a knock on my door
But I'm not gonna open it
I'm gonna close my eyes
And maybe it'll go away

I want a platinum blonde life
So I keep bleaching out the colour
I try to do what I oughta
But never drink enough water

And where did my lamb go?
I wish she could stay
I feel as empty as a widow
I'm gonna sleep it all away

And there's a knock on my door
But I'm not gonna open it
I'm gonna close my eyes
And maybe it'll go away

I'm going to sleep all through the day
I'm going to sleep my life away
I'm going to sleep all through the day
I'm going to sleep my life away
I'm going to close my eyes and maybe it'll go away

And there's a knock on the door
But I'm not gonna open it
I'm gonna close my eyes
And maybe it'll go away

I'm gonna close my eyes
And maybe it'll go away
