I never really thought you'd say goodbye
I never really thought you'd make me cry
You know I always thought we were meant to be
I can't take anymore, anymore
And I don't wanna be alone
I can't make it without you in my life
Baby this time
I can't let you go
I don't care what you say
I don't wanna know
Baby this time
I can't let it be
Cause your heart belongs to me
Let's give it one more try
Baby this time
I never really knew how much I cared
I never knew that I could be so scared
I never wanted more than you could give
I won't hurt you anymore, anymore
No I don't wanna be alone
I can't make it without you in my life
Baby this time
I can't let you go
I don't care what you say
I don't wanna know this time
I can't let it be
Cause your heart belongs to me
Let's give it one more try
Baby this time
I will be true
Give all I can give to you
Just look at the love in my eyes
Cause you are the one
I truly believe
This time
