You're like a trophy you're a teenage fantasy
You know that everybody wants you
I was a god the way you looked so good on me
I had everything
Then you walked away
What can I say that'll make you wanna stay
Why do you wanna be without me
What can I do that'll bring me back to you
Are you running to somebody new
Tell me why I'm losing you
You said you didn't think about the guys around
I was the only one you wanted
How could you say I was the best you've ever found
When so suddenly
You walked away
What can I say that'll make you wanna stay
Why do you wanna be without me
What can I do that'll bring me back to you
Are you running to somebody new
Tell me why I'm losing you
