(Elvis Costello)

Almost blue  
Almost doing things we used to do  
There's a boy here and he's almost you  
Almost all the things that your eyes once promised  
I see in him too  
Now your eyes are red from crying

Almost blue  
Flirting with this disaster became me  
It named me as the fool who only aimed to be

Almost blue  
It's almost touching that we're almost through  
There's a part of me that's always true  
Always  
All the things never come to an end now it is only a  
chosen few  
I've seen such an unhappy couple

Almost me  
Almost you  
Almost blue
