Peek in, sneak about
Peek in, sneak about
Peek in, sneak about
You're broken hearted detective

Hey girl, save the liar
Can't you see his pants on fire?
Hey girl, save the liar
Can't you see his pants on fire?

My back, it hurts again
It aches like history
Cotton mouth and all lit up
You're smiling back at me

But I feel you must have failed me
Once again you've let me down
My confidence below my knees
Now I need to find you out

Peek in, sneak about
I'm gonna snoop and call you out
I caught you, your hands are red
Now I'm your broken hearted detective

Hey lover, why the gun?
Hold on, I'm almost there
It's too late, you've killed the trust
Don't act so unaware

So why are you so destructive?
Do you realize what you've done?
You can't bring it back to life now
What are you running from?

Peek in, sneak about
I'm gonna snoop and call you out
I caught you, your hands are red
Now I'm your broken hearted detective

I don't like the way I feel
I just want you to be real

Hey girl, save the liar
Can't you see his pants on fire?
Hey girl, save the liar
Can't you see his pants on fire?

I'm rummaging through your closet
Imagining all the worst thoughts

Peek in, sneak about
I'm gonna snoop and call you out
I caught you, your hands are red
Now I'm your broken hearted detective

Peek in, sneak about
I'm gonna snoop and call you out
I caught you, your hands are red
Now I'm your broken hearted detective

Peek in, peek in
Peek in, peek in

Peek in, sneak about
I'm gonna snoop and call you out
I caught you, your hands are red
Now I'm your broken hearted detective
