Hey baby, baby
Hey baby, baby
Hey baby, baby
Hey baby, baby

All the boys say
Hey, hey, hey, hey
Hey, hey, hey, hey

All the boys say
All the boys say
All the boys say

Hey, hey, hey, hey
Hey, hey, hey, hey
Hey baby, hey baby, hey
Hey baby, hey baby, hey

I'm the kind of girl that hangs with the guys
Like a fly on the wall with my secret eyes
Takin' it in try to be feminine
With my make-up bag, watchin' all the sin

Misfit, I sit
Lit up, wicked
Everybody is surrounded by the girls
With the tank tops and the flirty words

I'm just sippin' on chamomile
I'm watchin' boys and girls and their sex appeal
With a stranger in my face who says he knows my mom
And went to my high school

All the boys say
Hey baby, hey baby
Girls say, girls say
Hey baby, baby

All the boys say
Hey baby, hey baby
Girls say, girls say

Hey baby, baby

Hey baby, hey baby, hey
Girls say, girls say
Hey baby, hey baby, hey
Hey baby, baby

Hey baby, hey baby, hey
Boys say, boys say
Hey baby, hey baby, hey
All the boys get the girls in the back

I'm the one they feed upon
Give a bit a star is born
And if you have enough you'll get the pass
And you can tell your friends how you made it back

No matter what they say I'm still the same
Somehow everybody knows my name
And all the girls wanna get with the boys
And the boys really like it

All the boys say
Hey baby, hey baby
Girls say, girls say
Hey baby, baby

All the boys say
Hey baby, hey baby
Girls say, girls say
Hey baby, baby

Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey

All the boys say
All the boys say
All the boys say

Hey baby, hey baby, hey
Girls say, girls say
Hey baby, hey baby, hey
Hey baby, baby

Hey baby, hey baby, hey
Boys say, boys say
Hey baby, hey baby, hey
All the boys get the girls in the back

Jump, jump, jump, jump
Jump on the stage
Jump
Jump on the stage
Jump

Jump on the stage 'cause we goin' crazy
Afterward myself and one of them gorgeous ladies
There is no need to be actin' shady
C'mon baby, hey, hey baby

When you rock your hips, you know that it amazes me
Got me off the hook and nuttin' else don't phase me
Can you be my one and only sunshine lady?
If no, maybe, hey baby

Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey

I'm just sippin' on chamomile
I'm watchin' boys and girls and their sex appeal
With a stranger in my face who says he knows my mom
And went to my high school

All the boys say
Hey baby, hey baby
Girls say, girls say
Hey baby, baby

All the boys say
Hey baby, hey baby
Girls say, girls say
Hey baby, baby

Hey baby, hey baby, hey
Girls say, girls say
Hey baby, hey baby, hey
Hey baby, baby

Hey baby, hey baby, hey
Boys say, boys say
Hey baby, hey baby, hey
All the boys get the girls in the back
