You told me, I see you rise  
But, it always falls  
I see you come, I see you go, You say  
All things pass into the night  
And I say, Oh no sir I must say you're wrong  
I must disagree, oh no sir, I must say you're wrong  
Won't you listen to me  
You told me, I've seen it all before,  
I Been there, I've seen my hopes and dreams  
A lying on the ground  
I've seen the sky just begin to fall  
And you say, All things pass into the night  
And I say, Oh no sir I must say you're wrong  
I must disagree, oh no sir, I must say you're wrong  
Won't you listen to me

Good-bye horses I'm lying over you  
Good-bye horses I'm lying over you  
Good-bye horses I'm lying over you  
Good-bye horses I'm lying lying lying over you  
woooooo woooooo  
woooooo woooooo
