Kill that drummer

Well I've got a friend who's a man  
Who's a man?  
What man? A man who keeps me from the lonely, the  
lonely  
He gives me what I need  
What you need?  
What you got I need it all so badly

Anything I want, he gives it to me  
Anything I want, he gives it, but not for free  
It's hateful, it's hateful  
And it's paid for and I'm so grateful to be nowhere

This year I've lost some friends  
Some friends?  
What friends? I don't know, I ain't even noticed  
You see, I gotta go out again  
Again?  
My friend, I gotta go see the madman

Oh, anything I want  
He gives it to me  
Anything I want  
He gives it, but not for free  
It's hateful, it's hateful and it's paid for  
And I'm so grateful to be nowhere

Anything I want, he gives it to me  
Anything I want, he gives it, but not for free  
It's hateful, it's hateful  
And it's paid for and I'm so grateful to be nowhere

I killed all my nerves  
My nerves?  
What swerves? I can't drive so steady  
Oh, I lost my memory  
My mind  
Behind I can't see so clearly

Oh, anything I want, he gives it to me

Anything I want, he gives it, but not for free  
It's not for free  
He gives it to me anything I want, he gives it, but not  
for free  
It's not for free

He gives it to me  
Not for free  
He gives it to me not for free, not for free  
It's not for free  
Not for free, not for free  
It's not for free  
Not for free  
It's not for you, it's for me
