Hey you with the wedding dress on
Made of white chiffon blowing in the wind
Hey you with the dreams in your head
You've been so misled by your heart's pull

I know you're waiting
For your ship to come in
You anxiously wait
For such a long time

You're just like my Ken and Barbie Doll
You dress up, you play the game
You're just like my Ken and Barbie Doll
Your name will never change

Hey you with your eyes full of hope
You think you can rope your desire
Well hey you, you naive thing
Your patience in time will tire

I know you're thinking
That your tide will roll in
How did you ever get
Such high hopes?

You're just like my Ken and Barbie Doll
You dress up, you play the game
You're just like my Ken and Barbie Doll
Your name will never change

You're just like my Ken and Barbie Doll
In a plastic world of make believe
You're just like my Ken and Barbie Doll
You know he's just gonna leave

Hey you
Hey you
Hey you

I know you're waiting for your life to begin
Well wake up girl, you've got it all wrong
You wanna prize that you're not gonna win

Well face it girl, you've got it all wrong

You're just like my Ken and Barbie Doll
You dress up, you play the game
Oh, you're just like my Ken and Barbie Doll
Your name will never change

You're just like my Ken and Barbie Doll
In a plastic world of make believe
You're just like my Ken and Barbie Doll
You know he's just gonna leave
