Go ahead and look at me  
'Cause that's what I want  
Take a good look, won't you please?  
'Cause that's what I want

I know you wanna stare  
You can't help it and I don't care  
So look at me  
'Cause that's what I want

Do you think I'm looking hot?  
Do you think this hits the spot?  
How is this looking on me, looking on me?  
Do you think I'm looking hot?  
Do you think this hits the spot?  
How is this looking on me, looking on me?  
Go ahead and stare  
Take a picture please, if you need  
And I think that says it all

Chasing it, I don't know why  
I think about it a lot  
Better hurry, running out of time  
I think about it a lot

I can't tell anymore  
Don't know what I'm looking for  
You know what I mean?  
I think about it a lot

Do you think I'm looking hot?  
Do you think this hits the spot?  
How is this looking on me, looking on me?  
Do you think I'm looking hot?  
Do you think this hits the spot?  
How is this looking on me, looking on me?  
Go ahead and stare  
Take a picture please, if you need  
And I think that says it all

Running on empty  
But I have had plenty  
You're complimentary  
But I'm just pretending  
Uniform

Hide behind there, this is my diversion  
Go ahead and stare, I'm a ragamuffin

Don't feel it so fake it  
I bait it, you take it  
One eye in the mirror  
Put on my veneer  
Could have sworn  
It's a sure shot, are you onto my con?  
Go ahead and stare, I'm a ragamuffin

Do you think I'm looking hot?  
Do you think this hits the spot?  
How is this looking on me, looking on me?  
Do you think I'm looking hot?  
Do you think this hits the spot?  
How is this looking on me, looking on me?  
Go ahead and stare  
Take a picture please, if you need  
And I think that says it all
