I've been wasting all this time  
But I can't let go  
'Cause it's just the way I feel

Getting used to your mistakes  
But I can't let go  
Do you ever think I'll heal?

You could be right  
I could be wrong  
Year after year always rewinding where we've gone

One more summer  
One more weekend  
I'm your lover  
You're my weakness

In between the longest days  
And the shortest nights  
It always comes back to you and me

I could be right  
You could be wrong  
I can't believe it. Has it really been this long?

One more summer  
One more weekend  
I'm your lover  
I'm your weakness

I don't think I can change  
I can't stay away  
One more summer  
One more summer

You could be right  
I could be wrong  
Year after year after year after year after year after...

One more summer  
One more weekend  
You're my lover  
I'm your weakness

I don't think I can change  
I can't stay away

One more summer  
One more summer
