There's times where I want something more  
Someone more like me  
There's times when this dress rehearsal  
Seems incomplete  
But, you see the colors in me like no one else  
And behind your dark glasses you're...  
You're something else

Chorus:  
You're really lovely  
Underneath it all  
You want to love me  
Underneath it all  
I'm really lucky  
Underneath it all  
You're really lovely

You know some real bad tricks  
And you need some discipline  
But, lately you've been trying real hard  
And giving me your best  
And, you give me the most gorgeous sleep  
That I've ever had  
And when it's really bad  
I guess it's not that bad

(repeat chorus)

So many moons that we have seen  
Stumbling back next to me  
I've seen right through and underneath  
And you make me better  
I've seen right through and underneath  
And you make me better  
Better... better...

Lady saw:  
You are my real prince charmin'  
Like the heat from the fire  
You were always burnin'  
And each time you're around  
My body keeps stalin'

For your touch  
Your kisses and your sweet romancin'  
There's an underside to you  
That so many adore  
Aside from your temper  
Everything else secure  
You're good for me, baby  
Oh that, I'm sure  
Over and over again  
I want more

Gwen:  
You've used up all your coupons  
And all you've got left is me  
And somehow I'm full of forgiveness  
I guess it's meant to be

(repeat chorus)

You're really lovely  
Underneath it all  
You want to love me  
Underneath it all  
I'm really lovely  
Underneath it all  
And you're really lovely
