I'm closing all the curtains
So don't you even bother
And I'm calling out murder
But I'm underneath the covers

And who's foolin' who?
With this mood like a train
Watch me roll over
Get out of my way

And there's a knock on my door
But I'm not gonna open it
I'm gonna close my eyes
And maybe it will go away

I want a platinum blond life
So I keep bleachin' out the colors
I try to do what I oughta
But never drink enough water

And where did my lover go?
I really wish he could stay
I feel it's empty as a widow
I'm gonna sleep it all away

And there's a knock on my door
But I'm not gonna open it
I'm gonna close my eyes
And maybe it will go away

I'm gonna sleep all though the day
I'm gonna asleep my life away
I'm gonna sleep all through the day
I'm gonna sleep myself away
I'm gonna close my eyes
And maybe it'll go away

And there's a knock on my door
But I'm not gonna open it
I'm gonna close my eyes
And maybe it will go away

And there's a knock on my door
But I'm not gonna open it
I'm gonna close my eyes
And maybe it will go away

I'm gonna close my eyes
And maybe it will go away
