Girls, don't go crazy
Woman, hold your man tight
Every day I love him just a little bit more
A little bit more, a little bit more
Everyday I love him just a little bit more
And he loves me the same

Every day I love her just a little bit more
A little bit more, little bit more
Everyday I love her just a little bit more
And she loves me the same
Baby, if you wanna get on

Oh baby, if you wanna get off
It makes no sense at all
I saw red
I saw red, I saw red
One more sacred lover that
I shot dead

Everyday I wake up just a little bit more
Feelin' like a dog out on the yard
Because that's just how we are
Everyday I wonder if it's over
When I wake up realizin' that we hate
And break down the war

You say it's black but I can't believe you
And if you say it's white, you say I'm tryin' to deceive
you
And baby, you're the winner of the high and the low
And I'd be waiting for you in the middle but I just lack
control
Baby, if you wanna get low

Oh baby, if you wanna get high
It makes no sense at all
I saw red
I saw red, I saw red
One more sacred lover that
I shot dead

Girls, don't go crazy
Girls, don't go crazy
Oh girls, don't go crazy
When the men use you, oh
Oh, woman, hold your man tight
If it makes you feel right, it's your own life
