Open the basket  
Listen to the flute play  
Open the basket  
Listen to the flute play  
Toot toot toot play  
Snakes in the basket  
Lie to lead you astray  
Snakes in the basket  
Force to make you betray  
Your innermost truth hidden away

Now you're falling down to the underground  
Slither down to your lair  
Hidden in the many trenches of a hopeless war  
Those who were sold out by a corporate board

Carry the casket  
Never mind the gun spray  
Bury the casket  
Pawns in someone's gameplay  
Shoot shoot shoot obey

Now you're falling down to the underground  
Slither down to your lair  
Hidden in the many trenches of a hopeless war  
Those who were sold out by a corporate board

Listen to the flute play  
Listen to the flute play  
Listen to the flute play

Subscription to the spreading of lies  
Soldier catches a glimpse of his demise deep down  
inside  
Even he knows snakes come in many shapes and sizes

Many shapes and sizes  
Snakes have no hands to be tied

Concoction of malicious lies  
Deep inside the general despises himself  
Listen to the flute play

Another reptile in line  
Snakes without grass cannot hide

Now you're falling down to the underground  
Slither down to your lair  
Hidden in the many trenches of a hopeless war  
Those who were sold out by a corporate board  
Now you're falling down to the underground  
Slither down to your lair  
Forked tongues spread the poison with another toxic  
sting  
So much pain their serpentine inhibitions bring

Oh - listen to the flute play  
Listen to the flute play  
Listen to the flute play  
Listen to the flute play

Open the basket  
Open the basket  
Listen to the flute play  
Open the basket

Listen to the flute play  
Listen to the flute play  
Go ahead  
Listen to the flute play

Open the basket  
Oh - open the basket
