I'm broke
Let me show you where it hurts
I'm trying to be brave
This wasn't in my plan
And nothing you can do, I've changed
Such a waste

I'm undone
And there's nothing I can do
This time it's all out of my hands
And just when I was getting good
Why's it have to end?
I don't understand

Don't leave me behind
This time I need you
Nothing's feeling right
Oh I'm in trouble, help me
No one needs you more than me

I know
I made you feel like you were lucky to have me
But now I'm panicking
I'm lost, you're the one I need
Be patient please

Don't leave me behind
This time I need you
Nothing's feeling right
'Cause I'm in trouble, help me
No one needs you more than me

Change me back, please change me back
I don't know who I am anymore
Can't take it anymore

Don't leave me behind
This time I need you
Nothing's feeling right
'Cause I'm in trouble, help me
No one needs you more than me
No one needs you more than me
