There've been days I've been searching for so long  
Looking for the reasons to keep hangin' on  
I'm not sure how I should feel  
It's gettin' worse 'cause your not here  
And it's crazy loosing to myself  
All by, by myself

I'm gonna smack  
I'm gonna crack  
I'm past the point there's no in turning back  
Oh, damn I'm gonna slam into the  
Edge of the World

What do I want from me?  
Why can't I ever be...?  
Why can't I ever be  
Want I want to be?  
How can I change the way  
Of what I know today?  
Change me, Change me, Change me.  
I'm getting closer to the Edge of the World  
Help me I'm sinking six feet deep  
I had enough but I can't let you go.  
Oh, oh  
I wish to God you'd rescue me  
And tell me who I'm supposed to be  
It's crazy loosing to myself  
...by, by, myself

I'm gonna smack  
I'm gonna crack  
I'm past the point there's no in turning back  
Oh, damn I'm gonna slam into the  
Edge of the World

What do I want from me?  
Why can't I ever be...?  
Why can't I ever be  
Want I want to be?  
How can I change the way  
Of what I know today?  
Change me, Change me, Change me.

I'm getting closer to the Edge of the World  
????? I had enough but I can't let you go.  
Oh, oh  
I wish to God you'd rescue me  
And tell me who I'm supposed to be  
It's crazy losing to myself  
...by, by, myself

I'm gonna smack  
I'm gonna crack  
I'm past the point there's no in turning back  
Oh, damn I'm gonna slam into the  
Edge of the World

What do I want from me?  
Why can't I ever be...?  
Why can't I ever be  
want I want to be?  
How can I change the way  
Of what I know today?  
Change me, Change me, Change me.  
What do I want from me?  
Why can't I ever be...?  
Why can't I ever be  
Want I want to be?  
How can I change the way  
Of what I know today?  
Change me, Change me, Change me.  
I'm getting closer to the Edge of the World

C'mon,  
C'mon, C'mon  
ahhhhhhhhhhh  
It's another mindfreak going out of control,  
Got my mind, got my mind ready to blow  
ahhhhhhhhh  
? tickin', and my dreams are tricky, ? all around town

What do I want from me?  
Why can't I ever be...?  
Why can't I ever be  
Want I want to be?  
How can I change the way  
Of what I know today?  
Change me, Change me, Change me.  
Me...  
What do I want from me?  
Why can't I ever be...?  
Why can't I ever be  
want I wanna, what I want to be?  
How can I change the way

of what I know today?  
Change me, Change me, Change me.  
I'm getting closer to the Edge of the World.

Ahhhhh  
C'mon I'm at the edge.  
Ahhhhh  
I'm at the Edge of the World
