[Girl] My love, I'm always here.
Just dream of me.

[Criss] My fear...

My fear it's holding me stillborn

[Spoken] Thinkin' of the times when we were one
(mmm)

And the music that was just begun

And I don't know, really can't see how we

Ended up sep'rated, separated in this world of illusion

Thinkin' of the times when we were one (mmm)

And the music that was just begun

And I don't know, really can't see how we

Ended up sep'rated, separated in this world of illusion

[Girl] Thinkin' of the times when we were one

And now we're left in this world of illusion.

Thinkin' of the times when we were one

[Criss] Mmm... mmm

[Girl] And now we're left in a world of illusion

[Criss] C'mon

I don't wanna be without you now...

[Criss] Mmm... mmm

[Girl]... in this world of illusion

[Criss] C'mon C'mon

[Criss Spoken] Thinkin' of the times when we were one

(Mmm)

(My fear)

And the music that was just begun

(My fear)

And I don't know, really can't see how we

(My fear it's holding me stillborn)

Ended up sep'rated, separated in this world of illusion

[Criss] Mmm... mmm

[Criss] C'mon, C'mon, C'mon

[Girl] I'm over here

Criss

I'm over here

[Criss] Kayala
[Girl] Criss
[Criss] Kayala
Where are you?
[Girl] I'm over here
[Criss] I can see you
No
[Criss catches breath]
