Rage  
Saturates my inside  
As my dreams turn to dust  
Trust doesn't live there  
... Creeps in my head  
Oh, I wish you were dead  
And never, and never hurt me

Victimize  
Patronize  
(Patronize)  
Words can't be spoken to erase  
She'd my skin  
To begin  
Forever  
Forever  
It's too late for me

Feel my pain  
Seeping out  
It's too late  
It's too late  
Feel my pain  
Seeping out  
Feel my shame  
Ceeping out  
It's too late

It's too late  
(Forever)  
It's too late  
(For me, for me)  
It's too late  
Forever

It's too late  
It's too late  
Forever  
Forever  
Forever  
It's to late  
Forever

Forever  
Forever
