Automatically, emphatically... is let you know
I gotta let you go [uh, uh]

Automatically, emphatically... is let you know
I gotta let you go [uh, uh]

I had a dream
We're ruled by consciousness
Undemented eyes
Blind conditions
Procreation
Maybe I'm crazy, but you know I'm not some...
[Robot] nut job, not another nut job

(Ahhhhhhh)
Stretch that skin
Spit me out
I'm not you
Procreation
(Ahhhhhhh)
Rubber room
Body in the womb
Spit me out
[Uh, uh]
Procreation

I can't forget
Real life sees... resurrects
See you, plant a seed
My stomach gives
You're inside me
Maybe I'm crazy, but you know I'm not some...
[Robot] nut job, not another nut job

(ahhhhhhh)
Stretch that skin
Spit me out
I'm not you
[Uh, uh]
Procreation
(Ahhhhhhh)
Rubber room

[whispered] nut job
I'm...
I'm not a
Nut job, I don't think so
