one cut for every kiss  
one slice to my skin for everytime i wrote the words i  
love you  
for your decieving eyes  
one more little slit just cause youre not around  
to stop me from doing this to myself

these drops of blood run down my arms and into my  
palm  
those lovely tears roll down your cheeks when you  
realize  
what it is that you have done

im dying  
to know what happened  
between you and him  
im dying

im dying(im dying to know what happened bewtween  
you and him)  
im dying  
im dying

one cut for every kiss  
one slice to my skin for everytime i wrote the words i  
love you  
for your decieving eyes  
one more little slit just cause youre not around  
to stop me from doing this to myself

these drops of blood run down my arms and into my  
palm  
those lovely tears roll down your cheeks when you  
realize  
what it is that you have done

im dying  
to know what happened  
between you and him  
im dying

im dying(im dying to know what happened bewtween  
you and him)  
im dying  
im dying
