Strength beyond strength
The confidence in knowing that the one
That I am following is the king
King of Kings
He was and is and is to come
The Lord of Lords the Holy One
Jesus my God I'll follow you until the end
My love for you will never end
Peace, peace of mind
Knowing I will never die
My name is in the book of life

Do you know my strength
Do you know our strength
Strength in Christ

Power beyond power
To trample on the serpent's head
Withstanding evil until the end
Rejoice, rejoice in Christ
Because I know that with my God
No trial's too hard no fire's too hot
Purpose in my life
To love my God with everything
To follow him through everything
Love beyond love
The love that my God gives to me
Fills emptiness inside of me

Life beyond life
The life that my God gave to me
It broke the chains and set me free
Free, free from guilt
Because of my God's sacrifice
For my sins he paid the price

Faith, faith in God
Faith that he is always there
Surrounding me everywhere
Strength beyond strength
Only in him can I be strong

Without him I could not last long
