As i look into your eyes i see evil. i ignore all the lies  
and all the fake truths. i go on everyday with the  
slashing of my heart. not one day do i say how i feel,  
not one day do i stand up for myself. my blood pours  
on the floor as you slowly cut into me. every lie, every  
time you cheat, one more cut deepens in my flesh, one  
more dagger in my back. but still i gave you  
everything, i gave you everything you wanted. i hope  
tomorrow i will learn to run away only to come back and  
break you, to come back and rip away at your insides.  
tomorrow is today, and today is the end. for now i have  
all the power and now you're the one whos blood pours  
on the floor. tomorrow is today and today is th
