one cut for every kiss
one slice to my skin for everytime i wrote the words i
love you
for your decieving eyes
one more little slit just cause youre not around
to stop me from doing this to myself

these drops of blood run down my arms and into my
palm
those lovely tears roll down your cheeks when you
realize
what it is that you have done

im dying
to know what happened
between you and him
im dying

im dying(im dying to know what happened bewtween
you and him)
im dying
im dying

one cut for every kiss
one slice to my skin for everytime i wrote the words i
love you
for your decieving eyes
one more little slit just cause youre not around
to stop me from doing this to myself

these drops of blood run down my arms and into my
