Tonight's the night your gonna die,
Say farewell friend,

Humans, humans, humans everywhere,
Killing innocent people? We wouldn't even dare
(laughter)
Laughing, smiling, it's all gonna stop,
First thing we'll do is kill all you lot,

We'll slit your throat, eat your guts,
Rip out your heart and drink your blood,
Everyone's dying, bodies everywhere,
So much meat, so much to share,
Welcome to your worst nightmare,

Your families dead, you're on your own,
We'll eat you up right down to the bitter bone,
Run, run, as fast as you can,
No-one can escape their worst nightmare,

We'll slit your throats, eat your guts,
Rip out your heart and drink your blood,
Everyone's dying, bodies everywhere,
So much meat so much to share,
Welcome to your worst nightmare,
Your gonna die now, you better say farewell,
Welcome to your worst nightmare,
Your coming back with me, right down to hell,

DEMONS!
MURDERERS!
RAPISTS!
KILLERS!
DEMONS!
MURDERERS!
RAPISTS!
KILLERS!

We'll slit your throats, eat your guts,
Rip out your heart and drink your blood,
Everyone's dying, bodies everywhere,
So much meat so much to share,

Welcome to your worst nightmare,

Goodnight
