I'm gonna climb up on the mountain
I'm gonna climb up to the top
Gonna beg the lord for (no) mercy ;-)
Pray this dream will stop
I'm gonna keep my eyes open
Look with my heart
Look for a sound from above
I need a message of love (sin ti no puedo vivir)
I want a message of love (solo t? me haces feliz)
I need a message of love (eres mi luna y mi sol)
Oh, some kind of message of love (quiero un mensaje de amor)
Well, I won't be a bunch of lightning
No, won't be a butterfly
Just a look from you darling
As you're passing by
I'm gonna keep my eyes open
Look with my heart
Look for a sound from above
I need a message of love (sin ti no puedo vivir)
I want a message of love (solo t? me haces feliz)
I need a message of love (eres mi luna y mi sol)
Oh, some kind of message of love (quiero un mensaje de amor)
I'm gonna keep my eyes open
Look with my heart
Look for a sound from above
Message of love (sin ti no puedo vivir)
Message of love (solo t? me haces feliz)
Message of love (eres mi luna y mi sol)
Quiero mensaje de amor
Message of love
Sin to no puedo vivir
