Please don't go Please don't go
I don't wanna be all alone
Say your mine and give me tonight
Let's stay together
Please don't go Please don't go
You're the only angel I know
You were sent from heaven above
To love me forever

Please don't go Please don't go

If you leave me
You let a good thing fall apart
If you deceive me
You leave a pain inside my heart
I really need you
Just like the air I need to breathe
I'll stand beside you I'll never leave

Please don't go Please don't go
I don't wanna be all alone
Say your mine and give me tonight
Let's stay together

Please don't go Please don't go
You're the only angel I know
You were sent from heaven above
To love me forever (forever)

Please don't go Please don't go

If you leave me
You're gonna spoil a dream we shared
If you leave me
I'm gonna miss the way you cared
I will try harder
I'll make you fall in love again
And I'll be faithful until the end

Please don't go Please don't go
You're the only angel I know (angel I know)

You were sent from heaven above
To love me forever (forever)

Please don't go

If you leave me
I'm gonna search the world for you
If you leave me
Sweet memories will shine on through

I'll always love you
No matter what you do or say
Cuz when I touch you
Light touches the day

Please don't go Please don't go
Don't you know that I love you so
Say your mine and give me tonight
Let's stay together (together)

Please don't go Please don't go
You're the only angel I know (angel I know)
You were sent from heaven above
To love me forever (forever)

Please Don't Go
