This bed still burns  
paper fingers  
shadows lengthen in the room  
pick you clean  
paper fingers  
save your dreams for another time

We're made in sleepy dreams  
Heavy rain and sticky wings  
Nothing but happy days  
And one more lonely  
and one more little debt  
nothing but happy days

I see you stranger  
Twilight is gone  
I see you stranger  
That's when you know  
I see you stranger  
Twilight is gone  
I see you stranger  
Twilight is gone

Shut your eyes  
Pull the curtain  
Seperation come again  
so wipe your tears  
I see you stranger  
save your dreams for another time

I see you stranger  
Twilight is gone  
I see you stranger  
That's when you know  
I see you stranger  
Twilight is gone  
I see you stranger  
Twilight is gone

Your tortuous bad design  
Proximity is your complaint

those strangers lining up outside  
Your tortuous bad design  
Proximity is your complaint  
strangers lining up outside

I see you stranger  
Twilight is gone  
I see you stranger  
That's when you know  
I see you stranger  
Twilight is gone  
I see you stranger  
Twilight is gone
