What's in my hands
Will be the death of me
Will lead me to my grave
I'm shaken with fear
I've lost control
Give me something to revert too

Insecurity
It's what drives you to this
I'll bow my knee
As I've conformed to this

I can't see
What lies before me

I'm not stirred by this
I'm not stirred by this

People tell me
That this is just a faze
But I swear "I swear"
This is shaping my fate

You say this is for fun

But I see
The damage it has done
You say "you say"
This is all for fun
But I see
The damage it has done

I'm not stirred by this
I'm not stirred by this

Look up and see
I'll show you
We see these faces
Across the sky

Look up and see
I'll show you

We see these faces

Across the sky

We see these faces

Across the sky

We see these faces

Across the sky
