Somebody told you that I've been sleeping around  
Because of this lie, you let somebody come along and  
tears us down  
So you've found yourself a brand new lover but you  
didn't let me know  
I found out and started going crazy so I had to let you  
go.

#### Chorus

I can't stand this living alone  
Don't want to come back cause I did you wrong  
(not sure)  
If your what love sent in for the first storm  
Darling I love you let me come back home.

I can't stand this living alone  
Don't want to come back home cause I did you wrong  
(not sure)  
If your what love sent in for the first storm  
Darling I love you let me come back home.

#### Verse two

Baby I'm the fool but darling you let me down.  
I know I was wrong for not trusting you, but lady now  
I'm the clown  
But wasn't I there when your whole damn family turned  
their back on you  
I was nothing on the day I found you and I'm even less  
not that I don't have you.

#### Chorus

#### Bridge

Why didn't you come and talk to me we could have  
worked things out  
After all the things we've been through  
Tell me what I'm I suppose to do.  
(now that you have gone away)i never gave you a

reason to doubt it  
All I know is I can't live without it  
(no,no,no, won't you come home)  
(I love you soooooooooooooo)
