I'm layin' here trippin'  
About the phone conversation that we had last night  
Thoughts of skinny dippin'  
Said the way you'd put it on me would be wet and tight,  
yeah

When are you comin' over  
It's 8:00 and my mom's gonna be gone at 9  
Hit me double-o-seven  
I swear that I got your back baby, if you got mine

1 - cover me, I'm goin' in deeper  
Cover me, I'm goin' in deeper  
Cover me, I'm goin' in deeper  
Cover me, I'm goin' in deeper

Step into my room, take your clothes off  
I got the protection before I break you off  
Girl, ain't nothin' to it, the sexin' is the game  
Don't only want your body, want your mind just the  
same

I ain't like the others, this ain't no hit and run  
I'm feelin' your romance, lovin' 101  
They way you put it down, your love is so unique  
Girl, ain't nothin' jumpin' until you cover me, oh

Repeat 1

I can't wait 'till I get the chance to love your body  
I'm so glad to feel your presence here  
You're all the woman that I'll ever need

Let's take our time and do this slow  
Just hold on tight and don't let go  
Everything's gonna be alright  
'cause mother's doin' double shifts tonight

Repeat 1

[spoken]

Turn all the lights down (fine daddy)  
Come here  
You know what I like (yeah)  
Turn it around (like that? )  
Right there, alright  
What's my name baby? (big daddy)

Repeat 1
