[Verse 1:]

What's going on
You're questioning everything I do
And everywhere I've been
You're peeping me off the hook
Like I am some kind of crook
Out to take your love away
Bag it up and go astray

I wanna know baby
Who you're talking to
What you don't know is
My love is true

[Chorus:]

I'm so tired of the he say, she say
Running 'round hating on me
I'm so tired of the he say, she say, he say
This ain't the way that things supposed to be

I'm so tired of the he say, she say, he say
Running 'round hating on me
I'm so tired of the he say, she say, he say
This ain't the way that things supposed to be (yeah
yeah yeah)

[Verse 2:]

I'm coming home from my 9 to 5
I'm working hard to keep this thing alive
Everything I do, I do for you
And all you do
Is give me attitudes
It's killing me in the worst way
You're listenin' to what your girlfriends say
That I'm a dog and I like to play
What you don't know is
They wanna take your place

[Repeat Chorus]

[Bridge:]

I gave you all the love I had to give
Did anything for you
You turned around
And tell me that it's just not good for you
And after all the love we shared
Girl, you should know my love for you is true (my love)
So tell me what you're gonna do, what you're gonna do

[Repeat Chorus until fade]
