My love I'll never find the words my love
To tell you how I feel my love
Mere words can not explain
Precious love you held my life within your hands
Created everything I am taught me how to live again

(name n/a)

Only you cared when I needed a friend (oh)
Believed in me through thick and thin (alright, alright)
This song is for you filled with gratitude and love

[chorus]

God bless you (oh, oh)
You make me feel brand new (ohhhh)
For God blessed me with you (God blessed me with
you)
You make me feel brand new (alright oh yeah)
I sing this song for you (oh, yeah)
Make me feel brand new

[verse two]

My love whenever I was insecure
You built me up and made me sure
You gave my pride back to me
Precious friend, with you I will always have a friend
Or someone who I can depend to walk the path that
sometimes bends

Without (without you)
Life has no meaning (my life have no meaning)
Like notes to a song out of time
How can i repay you for having faith in me.
