Lyrics: Petit

Music: Clement, Antonio

Computing matrix technology, the first virtual sensory
brain

Total independence, spreading virtual codees,
establishing contact

Control, Proceedong, final extermination of human
kind

Seeking bio mechanical shell/coil, absolute human
control

Refrain:

Diabolic creation - matrix technology

Fanatic desire, unlimited and soulless machine

Virus, absolute control on human activities and
machines

Virtual network, instant propagation, no remedy nor
antivirus

Creation of human tissues, final extermination of
human kind

Avid for power, replica factory, materialization of the
living

Death factory, recycling corps, flesh and iron army
Fanatic desire, spreading virtual codes, establishing
contact

New age generation, destroy to recreate a perfect
world

Auto destruction of a civilized race, matrix of a perfect
world
