We Belong To A New Race Which  
Would Be The One In This State  
Any True Colors Enside This Cold World  
We'Re An Active Pacific Race Fighting Against  
Oppression  
And Submission  
Paralyze  
We Paralyze Primitive  
Conflicts Are You Ready To Stop  
Carcinogenic Fear ?  
Hitler Is Dead  
Other Dictators Must Fall  
Diktator Was Reborn Under Hypocritical Faces  
Nevershutour Mouths  
We Take Rights To Bowl Out Our Self Opinions  
Realize Present Humanity' S Decadence  
Black Or White, Blood Will  
Always Stay The Same: Red !  
Never Safe From Aggressions  
Don'T Forget Wars And Scars Of The Past  
Don'T You See Snake S Poison  
Inside Their Sweet Shin S  
Appearance Full Of Hate  
Are You Blind  
So Many Bilions Of Dollars To Buy Guns  
United Forces Creates To Serve Blind Hatred  
A New Method Of Annihilation  
Insomnia Of Speeches Based On Hypocrisy  
I Don T Want To See Anybody Get Hurt  
Cold Joke Of Killing Time  
Drive Me Out Of Control  
Nightmares Never End  
Scars Mustn'T Be On My Face  
Bugbear Mustn'T Exist Inside  
Our Minds  
Paralyze  
We Paralyze Primitive  
Conflicts  
Are You Ready To Stop This  
Atmosphere
