Lyrics: Petit

Music: Clement, Antonio, Pouchin

Welcome to this fucking new world!!!

You have donated an artificial brain to technology
This new born is getting out of hand
He proliferates via internet like a virus
He will destroy the human race

Refrain:

Here's the last act before
Extinction of the human race
Welcome to this fucking new world!!!

You have ended man's reign using
An army of mechanical human bodies
Millions of people will fall again from
Fighting war against the biomechanoid

Against independence, there is no remedy
Prepare yourself to become a machine

Welcome to this fucking new world!!!
