Lyrics: Petit

Music: Clement, Antonio, Pouchin

You are condemned, now you must pay!!!

The biomechanoid are infiltrating and are killing
people
Over the world
There is no way to confront this progressing army

Extermination
Mutilated body
Extermination
Scattered bodies

Refrain:
Extermination, you are condemned (x2)
Now you must pay

The biomechanoid army kills

Every human trying to escape the occupation
Corpse are recycled to become
Soldiers of the virus of destruction

Regeneration
Consuming dead
Regeneration
Living dead

Refrain:
Extermination, you are condemned
Extermination, now you must pay
Extermination, you are condemned
Now you must pay

Extermination
Mutilated body
Extermination
Scattered bodies
