Some Got No Right To Talk  
Some Got No Right To Choose Their Places  
Convicted To Obey & Submit  
Do You Feel The Pressure They Endure ?  
Justify Their Behaviours  
Justify Their Opinions  
Being Conditioned By The Rules  
At A Walk-Pace To Be Harmless  
Why Will We Always Trust The Way Of The Walk?  
Always The System Breaks Their Promises  
Some Got No Right To Talk  
Some Got No Right To Choose Their Places  
Convicted To Obey & Submit  
Do You Feel The Pressure They Endure?  
Justify Their Behaviours  
Justify Their Opinions  
Being Conditioned By The Rules  
At A Walk-Pace To Be Harmless  
Why Will We Always Trust The Way Of The Walk?  
Always The System Breaks Their Promises  
The Right Of Expression Belongs To The People  
Who Got Money'S Power  
Some Talk About Democracy ?  
We Musn'T Never Compromise The Control  
Of Our Lives  
Not To Keep Fuckin'Pride, To Keep Our Dignity  
Numbers Among The Others In This Modern Society  
I Refuse To Be A Pawn  
I Refuse To Be Fucked Up  
Never Will I Change My Point Of View  
I'M Not A Model Without Voice  
I'LI Choose My Way Forever  
Why Will We Always Trust The Way Of The Walk?  
Always The System Breaks Their Promises  
We Must Fight, We' Must Fight  
That Society Progress!
