Lyrics: Petit

Music: Clement, Antonio, Pouchin

Paralyzed

They are opening my skull

My mind is being emptied by a machine

They are implanting new information

Now I am really suffering

My brain is disconnected

My soul is doomed

Souvenirs have been destroyed

I've become a zombie

Refrain:

We are condemned to our system,

We are condemn to be manipulated

My body's under control

They have programmed my soul

They have erased my dreams

I've become a zombie

One day will come

When machines will control us.

Everyone is controlled by machines.
