You see the prophet but I see the investor.
You say it's garbage but to me it is treasure.
You think it's bad but things will only get better.
My outside's paper but my inside is leather.

I can handle what they dish.
I may look dumb but I'm not foolish.

You see my necktie and it seems out of place.
Say green and white was never ever in taste.
You really really wanna push in my face.
My glasses tell you just to step out my space.

Judge the outside if you wish.
I may look dumb but I'm not foolish.

Humor me and explain the rules.
I'm never too afraid to accomodate fools.
Are you setting the pace?

Humor me and explain the rules.
You are simple but forgot all your tools.
Are you just in the way?

No problem really. Really it was my pleasure.
Release is half of what we call the pressure.
Next time think that they never will measure.
It's hardly right for you to judge at your leisure.

I can handle what they dish.
I may look dumb but I'm not foolish.
Judge the outside if you wish.
I may look dumb but I'm not foolish.
