Ave Maria

Where have you been hiding?

Don't you know we need you!

Things are looking pretty bad down here.

I know that there is beauty

Gentleness, and laughter

These are things you always stood for

Help us find them too.

Hey, there, Maria!

Santa Maria...Maria.

May I take a liberty

And say that it's a shame to me

Not to live in harmony

Were all just hoping

Someone will step forward singing...

Amen, Amen

Ave Maria

Where have you been hiding?

Don't you know we need you!

Things are looking pretty bad down here.

I know you hear the fighting

See the torch we're lighting

On our quest for peace and freedom

Help us see this through

Hey, there, Maria!

Santa Maria...Maria.

May I take a liberty

And say that it's a shame to me

Not to live in harmony

We're all just hoping

Someone will step forward singing...

Amen
