Lyrics: Leah Goldberg
Music: Achinoam Nini (Noa)\\Gil Dor

Transliteration:

Et kol hakochavim taman,
Et hasahar ataf bishchor,
Mitsafon ve'ad teyman,
Ein keren or.

Veha boker alman neeman,
Sak afor al motnav yachgor,
Mitsafon ve'ad teyman,
Ein keren or.

Hadlikah-na ner lavan,
Be'ohel-libi hashachor,
Mitsafon ve'ad teyman,
Izrach ha'or.

Translation:
All the stars hidden away
And the moon in a pitch black night
From the north
And south to Yemen
Not a ray of light

Morning, loyal widower
Clutch your grey sack tight
From the north
And south to Yemen
Not a ray of light

No light, not a ray of light

Light a small white candle
In this darkened tent,
This heart of mine
From the north
And south to Yemen
Then a brilliant light will shine!

The light, the light will shine
