My angel  
So much I'd like to tell you  
So much of what I've seen  
I'd plant behind your eyes

My angel  
I know I can't compel you  
To any of my ways  
As you walk beneath the merciless sky

My angel  
My angel  
The more I see, the more I grow  
The less that I seem to know  
Only that  
Life is just a balancing act.

The demons  
The fear that will confine you  
The fire that will burn  
Your innocence away.

The heartbreak  
The pain will seek and find you  
The loneliness will grow  
With each passing day.

My angel  
My angel  
I won't always be there to dry  
The tears that gently fill your eyes  
So will you remember that  
Life is just a balancing act.

My angel  
My angel  
The more I see, the more I grow  
The less that I seem to know  
Only that  
Life is just a balancing act  
Only that

Life is just a balancing act.
