Kareng gang depat ku
Kaluguran daka kasi
Agya sanang mimiwas ku
Balu mung manasakit kumu

Kaluguran daka oyta mu
Huwag kang magtaka, kung
ItoÂ'y naka kaka
Ka pigil hininga, dahil mahal
Kita
Kaluguran daka, agyang
Manasakit ku
Balu mu para sakin napaka
Sakit uh
Mas makakabuti na akoÂ'y
Umiwas dahil sa
Ayoko masaktan ayako
Mabalisa
Mas mabuting mag isa, kahit
Maparalisa
Di mapakali sa sitwasyon ko
Na sa
Agrabyadong kalagayan, puso
Ko lagging tagayan
Bakit di mo ko damayan,
Halika akoÂ'y damayan
Hanging sa kkoÂ'y malasing, at
Tuluyang mapraneng
Pag natulog ako neng sana di
Na magising
Ayoko ko nang ganto, ayoko
Nang ganyan
Ayoko ko nang Makita, baka
Lalong masaktan
Ayokong umiyak ubos na
Ang luha ko
Kaya paalam na mahal ako
Na ang lalayo
Eka sana tatabang lub kaku
Kareng gang depat ku

Kaluguran daka kasi
Agya sanang mimiwas ku
Balu mung manasakit ku
Kaluguran daka oytamu
The feeling within this tune, you
Could be feeling the feeling too
You could be so in L.o.v.e but
She has a boy
This girl has got this kidÂ's heart.
But this kid has not got hers
Somebody else already took it
Just because he had came first
But IÂ'm not just gonna stay here
And do nothing at all about it
I donÂ't shout shit. I write lyrics

And go to studio where I can
Mouth it
She's saying he loves her so much.
But mine is times a thousand
Rhymes, I could write a trillion.
Sing to her upon a
I had a vision of me and her
Married. Now I can't get over her
I don't know why it won't leave
My mind. This supernatural girl
In fact you know what? Yo, i
Think she's an angel
I really want us to be together
But I don't think I'm able to a
Anything is possible. I like her
More than myself
I like her and it's distracting
Me and also my health
I can't sleep well coz I'm
Always thinking of her
I can't sit down or relax coz
I'm waiting for my turn
Eka sana tatabang lub kaku
Kareng gang depat ku
Kaluguran daka kasi
Agya sanang mimiwas ku
Balu mung manasakit kumu
Kaluguran daka oytamu
Paalam ang lumalabas
Saking labi
Sa lahat nang nangyari sakin
Mo naisisi
Mahal kita ngunit kaylangan
Lang
Pagkat di nakayanan ang
Mga hadlang
Ikaw ang unang
Bumitaw, at iniwan ako
Luhay pumatak, bakit
Ba nagkaganito
Sumabay sa ulan ang
Pagpatak ng aking luha
Sana ay kayakap kita
Wag mo sanang limutan
Ang pag ibig na inalay ko
Dahil minamahal kita
Kahit ako'y lumalayo
Sana alam mong
Nasasaktan ako
Dahil minamahal kita
