Beyond this road, running on far and long
Must surely be something we can believe in

If, like a traveler in the wind
You went on, aiming for the northern skies

The hot emotions that have begun to disappear
Glitter and wave once more
Within my heart

I don't want to cry, you see
So I don't give in to my weak self

Huge wings
Unseen only by eyes
Held by undecorated hearts

Spread your hands; while singing
Be embraced by eternal time
And connect with life

(repeat)
