### "The Tools Of The Trade"

Visit "[The Tools Of The Trade](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Step inside, this is the house of submission  
Welcome to your personal Hell  
I'm gonna show you all the splendors of suffering  
Time to face the tools of the trade  
My veins are rusted lead pipes  
A nest where spiders feed  
My blackened wings - the hooks you heed  
In the corners of your dreams  
Oh! Burn for me now  
Relinquish - it's time to die  
And death is your only way out  
Oh! Tear flesh apart  
Redemption - baptized in blood  
Torment is your only salvation  
A vision of Hell  
I look in the mirror  
Worms love my flesh  
A supper on acrid skin  
Oh! Bleed for me now  
Intrusive - the sting of Hell  
Scrutinize with no thoughts of doubt  
Oh! Tear you apart  
Impaling - you piece by piece  
Trashed in a murderous swipe  
I love the wicked - it's an addiction in blood  
I always go for the vicious  
To crush your feeble thought of hope, yeah  
Dead horses whisper - in haunted desert winds  
The beast has come to get you  
Black angel hear me call your name  
Alright now...  
Oh! These are the tools of the trade  
You mean nothing now  
You will never be clean again  
Oh! These are the tools of the trade  
You mean nothing now  
You will never be clean again  
I'm descendant of Hag  
Detestorous war where  
No black ribbon's gonna tie me down  
Submit to the tools of the abandoned land

Oh! Bleed for me now  
Intrusive - the sting of Hell  
Scrutinize with no thoughts of doubt  
Oh! Tear you apart  
Impaling - you piece by piece  
Trashed in a murderous swipe.
