Such a wicked vicious woman, black magic voodoo
queen
Lesbo nymphomaniac, ooh, she's got a girlfriend that's
seventeen
Bye bye bye
Ballcrusher
Bye bye bye
Bye bye bye
Ballcrusher
Bye bye bye
Stole the rent and drank all my JD
She went and hijacked my brand new car
I say AC, she says DC
The damned bitch is just too bizarre
Bye bye bye
Ballcrusher
Bye bye bye
Bye bye bye
Ballcrusher
Bye bye bye
I call her liar
Her eyes burn the flame
Liar, the princess of pain
Bye bye bye
Ballcrusher
Bye bye bye
Ballcrusher
Such a wicked vicious woman
The hellraiser finally pushed her luck
Before I go leave her in her dust
I'm gonna... till she can't stand up
Bye bye bye
Ballcrusher
Bye bye bye
Bye bye bye
Ballcrusher
Bye bye bye
I call her liar Her eyes burn the flame
Liar, the daughter of De Sade.
